To begin using the Micromedex® NeoFax® and Pediatrics application, navigate to the URL you have been provided. Depending upon your configuration, you may be presented with a login page similar to the following.

Populate the following user login fields with the appropriate information:
- Organization Keyword
- User Name
- Password

Click the Enter button.

-OR-

If your facility subscribes to content on the Micromedex® 2.0 platform, you can launch Pediatrics and NeoFax by clicking on the NeoFax® tool available at the top of every Micromedex 2.0 page.
Tabbed Navigation
Navigating the application is simple. Designed to meet your needs in an efficient manner, Pediatrics and NeoFax operates via a series of top-level tabs. The tabs that display may vary depending on your facility’s implementation and individual user rights.

<table>
<thead>
<tr>
<th>Tab Name</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Drug Monographs</td>
<td>Provides access to information on more than 160 neonatal and pediatric drugs.</td>
</tr>
<tr>
<td>Enteral Formulas</td>
<td>Displays the nutritional information for infant and pediatric enteral formulas, and allows a comparison of up to three different formula selections.</td>
</tr>
<tr>
<td>Generic Calculators</td>
<td>Provides access to nonpatient-specific drug dosing information.</td>
</tr>
<tr>
<td>Password</td>
<td>Enables users to change their passwords if their passwords have not been locked by the administrator.</td>
</tr>
</tbody>
</table>

Additional Navigation
Also available throughout the application in the upper right of the page are links to the user manual, a Help button, release notes, the name of the user that is currently logged in, today’s date, and a link to log out of the application.

Mode
If you subscribe to both Pediatrics and NeoFax, you will see a Mode switch at the top of many pages.
